

Why would a teacher need a personal website?

1. The real teacher always strives to become a positive example for her students and her own website will help in this situation.

2. The site helps to achieve public recognition.

3. The quality of the materials on the site shows just how competent and professional teacher is.

4. The site allows interesting materials to draw attention to the subject, the examples show the possibility of wide application of knowledge studied in later life.

5. The site allows you to show examples of individual approach to students in the

6. Show your own level of scholarship in the fields of science and culture.

7. The work on the site shows the desire of teachers to educate themselves and self-improvement

8. Commenting, expressing their views on the situations of students and teachers of the law shows honesty and integrity teacher.

9. The teacher may make thoughts and ideas to improve education on the site.

10. The teacher can upload their personal merit and artistic success for all seeing on the site

11.□ She can consult□ and give advices to parents on the education of students with help of the site.

12.□ She can express a positive opinion about the creative success of her students too.

13.□ She can□ contribute to the development of civil society on the site.

14.□ She can show your respect and responsibility for cultural and religious customs and ideas of others.

15.□ She can offer your view of obedience, discipline, courtesy, respect for parents and elders, to give useful advices.

16.□ You can write advices on the safety physical and mental health of children.

17.□□ You can receive the highest teaching category with the help of your personal site.

18. You can take part in contests for the best personal teacher site.

But at the same time the site will take you a lot of your free time. You'll have less time for your family & raising children. You will have less time for favorite things: books, crafts, TV. Because there is always the case: to add something - you must subtract from something ...

But this is the job of a teacher!
