As well as catching up with friends and family, summer can be a good time to take some time to catch up on some of the great resources and professional development opportunities you may have missed while busy teaching.

There are 5 things you might like to do in order to 'skill up' this summer!

1. Watch and learn
2. Pick up top tips
3. Sharpen your language skills
4. Boost your life skills
5. Take time to read
