Not a few nice words written  
About our loved ones, Mom.  
They are like fairies in our life celebration.  
None of our mothers in the world by a mile,  
My favorite is not my mom in the world.  
Mom, my love, you are my darling,  
You are the best, and I know it.  
You're such a good one,  
Very, very, my darling.  
With you beside me so cozy and nice.  
Can you maintain the right time,  
You just hug and all is well.  
I love you mom.  
I love you by the hand to hold.  
So you want to hug you, but I can not  
We are so far from each other.  
And as soon as I arrive, I will give you all the attention,  
And for myself, I will take all of your work.  
I want to say thank you:  
For what you gave me life.  
For the fact that you raised me.  
Because all taught me.

You've written a nice poem with "magic and tender words" descibing your mother!  
Happy New Year!
