Not a few nice words written
About our loved ones, Mom.
They are like fairies in our life celebration.
None of our mothers in the world by a mile,
My favorite is not my mom in the world.
Mom, my love, you are my darling,
You are the best, and I know it.
You're such a good one,
Very, very, my darling.
With you beside me so cozy and nice.
Can you maintain the right time,
You just hug and all is well.
I love you mom.
I love you by the hand to hold.
So you want to hug you, but I can not
We are so far from each other.
And as soon as I arrive, I will give you all the attention,
And for myself, I will take all of your work.
I want to say thank you:
For what you gave me life.
For the fact that you raised me.
Because all taught me.

You've written a nice poem with "magic and tender words" descibing your mother!
Happy New Year!
