My Dearest Mummy.

What does Mother mean to me?

Sunny morning , delicious meal,

Clear blouse, happy smile,

Funny presents and biscuits pile.

If I become seriously ill.

Who will sit with me until

I'll be healthy and on the mend.

It's my Mummy – my best friend!

Whom I can my secrets tell?

Who will help me a word to spell?

Who will teach me sew and write?

Who will talk with me till night?

Whom we hurt not more than once?

But she always gives us a chance.

To correct mistakes we've done.

That better person we should become.

My life would be dull without you!

I promise to be a good daughter too.

And not offend you any more.

WE ALL SHOULD OUR MOTHERS ADORE!
