My dear mummy!

My mummy always helps me When I am ill or sad, She trusts me and believes me, Supports me if I feel bad.

When I was young, she always Read poems and tales. I still remember the stories She read me day by day.

I also remember When I was four of three, We went to winter forest And walked between fur-trees.

But now I 'm fourteen, And like a normal teen, Sometimes I can be naughty, Annoyed by my routine.

My mummy understands me And also forgives, I thank her for the patience And everything she gives!

I wish I had a million -But not a coins' sum: A million happy years For dear-dear mum!!!
