Тулетова Гаухар

9 класс

СШ №39

г.Актобе, Казахстан

учитель Мусаева Гульзада Абдижамикызы

Another time, another day  
Another time, another day is gone,  
And I know that I'm not alone.  
You said never lose heart and don't cry,  
You said I must work hard and try.

My lovely mother you are pretty,  
And I want to say thank you.  
I thank God when I wake up in two times,  
Therefore, always try to make everything nice

I can't imagine life without you,  
And I'm sorry I rarely say I love you..  
Your burdens I will bear,  
Always be with you here.

Tell me your secret wishes, I will be Jean,  
Believe me dear mom I will do your dream.  
I promise all my work will be clean,  
And also all is pure on the life to win.

You are my heavenly golden key,  
Only for your health, and happiness I pray.  
Only for you my congratulation today,  
From this moment I will say it day by day.

My goal is to be the pride of your heart,  
We have never and will never be apart.  
I want to say, my dear mom, I love you!  
Owing to you my dreams will come true.  
Now my inspiration and Muse it's you.
