MOTHER'S DAY

It is a cheerful children's holiday,
After all it is a warm day
And I rejoiced to your coming
And constant we speak about something.

Dear gentle mother, I want to understand you very much. Isn't necessary to me another, And I love you so much.

I remember, when the help was necessary to me, You always helped me consciously. And, when with you I didn't agree, Also I made silly mistakes unconsciously.

I don't want to offend, I don't want to blame. But on hearty your fine name, And at once everything turns into a children's game, And never to me will be all the same.

Bright green eyes
And lovely playful smiles,
I will present you piles
Of flowers and skies.

Sincere words devoted to your mother, thanks a lof for it. Best wishes!
