I love you, my dear...

This poem is about love, About someone like a dove, About someone making dreams Come true and never breaking it.

You was with me when I was born You gave me body, gave me soul. And when your eyes enriched with smile, It makes me happy because you're fine

I miss you mom, when you are far Because for me you're like a star. And in the darkness you are sun You care of me, oh thanks you mom

And I will love till the end Because you've never left my hand. You are essential in my life. You are the best and I shall try Not to upset you...

Oh, thank you very much))) I don't think it is the best poem, but my mothers birthday will come soon. That's why I wanted to congratulate her. I'm very glad that you liked my poem:))
