My Mommy!

You're darling and tender,
My feelings for you are sincere and gentle,
Listen to me and remember:
You're the most beautiful treasure!

I adore to spend my time with you,
To ski, to cook, to talk with you.
It's really true!

I wish you health and a smile on your face,
May God bless you and me all days!
I wish you happiness-without measure,
Long life and fun and pleasure!

I devote this poem to you,
My darling and tender mother!
Because I love you greatly too,
As nobody another.

Now I want to say:
Have a Happy Mother's Day!
