## ONE WORD

There is one word that we all know, That means so much to us No matter where we choose to go, No matter whom we choose to trust.

This word for us is so special, It's first that we have learnt to say. And more than that, we have to mention, It's the only one we can't betray!

Do you agree, one word in life Is the most precious on the whole Earth? It's 'mama' - one for all the time, The only one who gives us birth!

My mother's near – I am happy! She knows how to make me smile. I'm sure, she can always help me And give me calmness and delight!

Dear Denis!

Your poem is very sincere and lyric. Well done! But it has one serious drawback - it is shorter than required. Please note that according to the rules, the poem must have 100 or more words... I would advise you to add one more stanza.

With best wishes!
