The best and most important word

That every person said and heard,

It's you, my MOTHER!

I'm lucky to have a real friend

Cause happy moments I can spend,

With you, my MOTHER!

The closest and my bosom friend

Who'll always help and understand,

It's you, my MOTHER!

If difficulties I have some,

I know that I can always come,

To you, my MOTHER!

You pray for us all day and night,

You break the darkness with your light,

Don't you, my MOTHER?

Forgives me all my silly deeds

And helps me always in my needs,

It's you, my MOTHER!

All flowers, blossoming in spring

If I could only take and bring

For you, my MOTHER!

All wealth I'll give you on the Earth

To thank you for my life, for birth,

My GOD! My MOTHER!
