My dear mother

How many stars in the clear sky!

How many leaves on the branches!

How many songs has got the birds!

Only the sun is the unique in the world,

Only mother is the unique in the world.

When I was a baby,

Long before I learned to walk,

While lying in my cradle,

I would try my best to talk.

Who sang songs for you?

My mother.

Who told fairy-tales for you?

My mother.

Who loves you the most of all?

My mother.

My love to mother is like a song,

That goes on and on forever.

My love to mother is like an ocean,

It goes down so deep.

My love to mother is like a rose,

Whose beauty you want to keep.

Her smile is a keepsake.

I keep close to my heart

That I open up and treasure

When we are apart.
