To my dear mummy !

What can I do for you,
My dear mummy?
To see that you are always happy?
What can I do for you,
My dear mummy?
To see that you never cry?

I can fly into space,
My dear mummy
To name a planet in honor of you
I can dive into the ocean,
My dear mummy
To get a starfish for you

I am ready to be always very patient,
My dear mummy
To make you happy and calm
I am ready to be always very obedient,
My dear mummy
To know that you don't have any alarm.

I promise never be cheeky and obdurate,
My dear mummy.
Let you live for a long time!
I promise never be saucy and obstinate,
My dear mummy.
Let you live for a long time!

Let you live for a long time,
My dear mummy!
You are always my kind angel!
Let you live for a long time,
My dear mummy!
And I feel myself out of danger!

I do agree with you -

"Let you live for a long time!" because our mothers are our angels.

Best wishes!
