The Great War

The black clouds swirling creep,

In a dark stormy sky...

A lot of dust... All seems a terrible sleep -

Around a lot of people die.

It's said that the war is not terrible.

But it isn't true. The War is wrong.

Even to hear about it is unbearable.

Its effects will be remembered long.

Because even quite young

Girls and boys went to the front.

The Great Patriotic War flung

Them into the battle, and threw under the brunt.

Where do people have forces

To fight the damned enemy?

Maybe, the common threat reinforces

The solidarity against archenemy.

And their feat will never be forgotten!

We will always remember their great prey

Thanks to which we have gotten

Our chance for the great Victory Day!
