Victory Day

This is Victory Day -

The Day of freedom and glory,

The moment of celebration

Not for our frustration.

Why are we happy on this day?

Why do we watch the parade every year

At nine o'clock?

And every year we see the tanks, the soldiers, and simple guys

Who can save us in the future

Like in the 50's of twentieth century

Why are we so proud

When we see the veterans

Who lost their blood in the Russian ground,

And who saved us from the thrall? -

Because our Russian People

Were able to win the war

To do the gorgeous deeds,

Which we will sing about in every century,

And we would like to say your THANK YOU

For giving us a chance to live in freedom!
