Devoted to Esenin.

Your heart is moving around
The Earth,
Your heart is deeply in ground.
The first
Leaves fall down, dance in the air
And die.
You are like these leaves. Please, don't care.
Don't cry.
Now wind is so cold and it's playing and knocking
At doors.
And you wanted to catch it, to lock it.
Wordsfalls*.
I sit in the kitchen with tea
Spilt and cold.
And your yellowed books make for me
All I want.
Your hand touches my mind
Out of give.
Your poems are your soul 'cause you're kind.
You're alive.

And when I'm exhausted with some lack of dreams
Which's like a famine
I'll bend with your words on my lips,
Esenin.

* Прим. - Слово "Wordsfalls" образовано по аналогии со словом "Waterfalls", и оно примерно означает "Словопад", "Поток слов".
