Sergei Esenin

Please answer me why?

People with unique abilities die.

Why don't they live long,

Because they were true and didn't lie?..

I can't believe he was only 30 years,

When he died, when he didn't breathe.

He was a legend of Russian poetry,

When we remember him, we shed buckets of tears.

He wrote about Motherland, about nature, about life,

He loved his family and loved his wife.

We will remember you, our hero, our poet

In our mind your poems learned by heart and saved.

Sergei Esenin we proud of you,

Your poems like road to the open view.

Everything gives me inspiration written by you,

I want to dedicate this lines only for you!

Your poem, full of emotions & music, is really very touching! It's impressed me greatly.

Even some mistakes don't spoil the impression.

You should also write what Grade you are in.

Best wishes.
