ESENIN'S POETRY.

Esenin's world is so colorful,
His love of Motherland is so wonderful,
His love of people is so great,
His humanism will be never late!
He puts his soul in his lines.
He gives us kind and useful reminds.
He can disperse the darkest clouds,
And can dispel any doubts.
Esenin's poems evoke our hearts.
New steps of life in them we can find.
Understands, takes care gently,
And loves everybody tenderly.
His life is short but very attractive.
He thanks his God from all his heart.
In spite of hard times and deprivations
He followed proudly all his life!
