Esenin

Esenin is forever in my heart.
Esenin is a great Russian poet.
He is well-known all over the world.
His words are very poetic
And we are fond of listening to his songs.
It is very interesting and lovely
To read and to learn his rhymes.
Sometimes they are very joyful,
But often they are sad for us.
When I think about his family name,
I expect something excellent and bright.
Esenin is our memory,
Esenin is our hope and love.
Esenin speaks with his old woman.
Esenin writes about everything that is in his heart.
He describes Russian forests and rivers.
And he often votes for love.
I can say :"His name will be remembered forever!"
Russian people will love him for a long time!
I think so... and his name will be
Forever in my heart!

You've tried to express your attitude to Esenin's poetry & it's very good.
Best wishes.
