To Sergey Yesenin

Sergey Yesenin-
my dear writer
My dear friend - Yesenin
I fall in love with all my heart
Your poems and songs.

All is beautiful in poems,
Correctly and marvelously
And the nature and the earth,
All these - my motherland!

There's love and joy!
There's youth and oldness,
You wrote poems about everything,
What was in your heart.

Yesenin, our dear friend,
You are for us as a genius!
I love to read your poems
And study only on fives!

You were awarded with beauty
And you were rich with brains
You wrote poems for us
We read them from a class to a class!

I've heard some melody in our poem, and it's very good, though there are some drawbacks concerning some vocabulary & grammar.
wish success.
